OUR TREATMENTS

HIFU

Lift. Tighten. Rejuvenate.

FROM £400.00

High Intensity Focused Ultrasound (HIFU) is a non-surgical skin tightening treatment that works deep beneath the skin's surface to stimulate natural collagen production. It helps to lift, firm and redefine the face and body, improving skin laxity and creating a more youthful, contoured appearance over time.

- LIFTS & TIGHTENS
- IMPROVES SKIN LAXITY
- DEFINES CONTOURS
- NATURAL, LONG-LASTING RESULTS

RADIO FREQUENCY

Firm. Smooth. Rejuvenate.

FROM £200.00

Radio Frequency (RF) uses controlled heat energy to stimulate collagen and elastin production, helping to tighten, firm and rejuvenate the skin. It improves skin texture, reduces fine lines and promotes a smoother, more youthful complexion with no downtime.

- STIMULATES COLLAGEN & ELASTIN
- FIRMS & TIGHTENS
- SMOOTHER SKIN TEXTURE
- NON-INVASIVE WITH NO DOWNTIME

OUR TREATMENTS

LED LIGHT THERAPY

Heal. Calm. Rejuvenate.

FROM £25.00

LED Light Therapy uses clinically proven wavelengths of light to target a range of skin concerns at a cellular level. It helps to reduce inflammation, calm redness, accelerate healing, stimulate collagen production and improve overall skin health. A relaxing, non-invasive treatment suitable for all skin types.

- REDUCES INFLAMMATION & REDNESS
- BOOSTS COLLAGEN PRODUCTION
- CALMS & SOOTHES THE SKIN
- SUPPORTS HEALING & SKIN HEALTH

HYDROFACIAL

OUR TREATMENTS

MICROBLADING

Natural. Defined. Effortless.

Microblading is a semi-permanent makeup treatment that creates natural, hair-like strokes to enhance your brows. It's the perfect solution for fuller, more defined eyebrows, saving you time every day while still looking natural. Each treatment is fully tailored to your face shape, skin tone and desired result, giving you beautifully balanced brows.

- NATURAL HAIR-LIKE STROKES
- TAILORED TO YOUR FEATURES
- SAVES TIME EVERY DAY
- ENHANCES SHAPE, SYMMETRY & CONFIDENCE

THE TREATMENT

Using a fine, precise blade, pigment is carefully implanted into the skin to create realistic hair strokes. The results are soft, natural and long-lasting, designed to enhance your natural beauty rather than change it. Two treatments are required to achieve the best results.

PRICING

Initial Treatment (2 treatments required)	£299.00
Top Ups	£175.00

A patch test is required at least 24 hours before your appointment. A consultation will also be carried out to discuss your desired look, suitability and aftercare.

OUR TREATMENTS

LASER HAIR REMOVAL

Smooth Skin. Lasting Confidence.

Our advanced laser hair removal uses clinically proven technology to safely and effectively reduce unwanted hair, leaving your skin smoother, clearer and more confident. The treatment is suitable for most skin types and can be used on both the face and body.

- LONG-TERM HAIR REDUCTION
- SMOOTHER, CLEARER SKIN
- QUICK & CONVENIENT TREATMENTS
- SUITABLE FOR MOST SKIN TYPES
